Vicki,

1 – how are you feeling?

2 – Does this inmate have any serious medical issues that would relate to COVID

3 – Do you have time to review for another medical priority list? Not sure there would be that many since our new arrests are down but there could have been some brought in with somewhat serious charges but more serious healthcare issues. Sheriff has not requested this yet since there are still some on the previous list but just wondered if you wanted to take a look at any SERIOUS medical issues preemptively.
